The Palace, Mysore,

20th February 1913.

My dear Sir,

I am returning the papers relating to the Mammal Survey of India, as His Highness has already made one private contribution towards the Survey. In view of the benefit that our State Museum will derive from the undertaking, it has occurred to His Highness that the State might reasonably make some contribution and he will be obliged if you will kindly deal with this suggestion officially.

Yours sincerely,

M. Visvesvaraya Esq., C.I.E.,

Dewan of Mysore,

Mysore.

Contribution to the Bombay Natural History Society towards the Mammal Survey of India.

On the recommendation of Sir Donald Robertson, - - British Resident in Mysore, in November 1902, H.H. the - - Maharaja was pleased to order that one out of the four - - sets of Moore's "Lepidoptera Indica" then being subscribed for by the Mysore Government may be presented to the Bombay Natural History Society.

When H.H. the Maharaja was in Bombay in February - 1911, the Secretary of the Bombay Natural History Society approached His Highness through Mr. Narottum Morarji Gokuldas with a special appeal for funds to enable the society to engage the services of a Collector of specimens of - - Mammals. His Highness was pleased to respond to the appeal in April 1911 by sending a donation of Rs.1,000 from his - - private purse, the total amount collected by the Society - - towards the Mammal Survey from various Ruling Princes and others - being about Rs.23,000.

One year later in April 1912, one of the Collectors of the Society, Mr. G.C. Shortridge, came to this Province for collecting specimens of Mammals and at the request of the Secretary of the Society and on the recommendation of Mr. E. Maconachie, Collector of Dharwar, instructions were issued by Mr. Campbell to place the Jog Rest House at his - - disposal and to give him every assistance in his work in - - this State.

Another year having passed, the Secretary of the - - Society has again approached H.H. the Maharaja for a further donation., on the ground that as it will take a long time - for only two Collectors to complete the Survey, it has been - resolved to employ a third man for the work at an expense - of Rs.20,000 for 2 years of which Rs.9,600 has been - - - collected.

1000 Rs may I think be given as a State donation to Cond^n Sale. be letting all publications & any specimens they can spare

I can agree to a donation of Rs 1000-0-0 being given as a State donation.

I suggest that we make it a condition that we receive one specimen of each species

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

Our little museum is already overfull and I do not know if we are in urgent need of enlarging it. Moreover the benefit to be derived has already been secured to us by the liberal and gracious donation from the Palace funds. In these circumstances I am respectfully of opinion that no donation from State funds ~~are~~ required. For outsiders there is no distinction between H.H.'s donation & State fund donation — both kinds being a donation by H.H. the Maharaja.

My dear Sir,

With reference to Mr. Campbell's D.O. letter No.274 dated the 20th February 1913, regarding a contribution by the State to the Bombay Natural History Society in connection with the Mammal Survey of India, I have consulted the Councillors and the Financial Secretary and their opinions are recorded in the accompanying file.

I agree with the Councillors in considering that sanction may be accorded to a donation of Rs.1,000 from the State revenues.

Yours sincerely.
